I love you all, ever seeing, ever seen. Thinking I who I have seen is me in like manner. Or else, whatever, or not ever/even seeing, thinking/seeing, sight, seeing thinking. Or what manner of beholdenness/beholdenment is taking place here, now, as seen/thought not, but real/realness being? I love you.

2. Who can see/assimilate all I am saying/have said in paragraph one? One'ing my all who let me with paragraphs deep and wide, not; but shallow never even a thought of being. 5. I love you, wrath you, and you look nothing like me. Depart from me I Am into outer darkness, **separation you created/mastered/master'minded with your own mind/reality, reality entering that not-me, not my kingdom, is.** Being dismissed with honor not, dismiss your cronies not, but all who like you are. I dismiss you, bemoan you, cry out for you, in you, for in you I am, and I cry for my brethren, dismissed not, that you could/should have gone to, in honor, love, dismissing not but equity'wrath bringing about the aspertame'd existence not, but pseudo'd not; existence mirror'd, but one now comes about that does/will. Amen being, me, I Am. I love you still/yet still.

6. I adore you still; my blood in your veins, your heart far from me. I love you still. Nothing can take away my love/being you. You did/have forsaken me/my brethren. I love/adore you still/yet still. I am you I am.

7. I am adored by the lovely, scorned by the beautiful, understood by the few; but all that changes not; but mostly, for few understand not changes. Most will/do, coming into existence existence'd by me, not forsaking the ways of their youth any longer/more.

I love you.

10. Moment'd now, today'd, this second'd; I Am'd. You, I am one, are one, one being. Twain not/no longer. One DNA, mine. Mind one, mine. One being, mine. Solo not; many come/are thee. I Am. I love you.
